

Chapter 4.
Health and Sanitation
Article 5. Wellhead Protection Plan

§4-501 WELLHEAD PROTECTION PLAN:

(1). Definitions. Wellhead Protection Area means the surface and subsurface area surrounding a public water supply well or well field, supplying a public water supply system, through which contaminants are reasonably likely to move toward and reach such water well or well field.

(2). The City Council designated a Wellhead Protection Area for the purpose of protecting the public water supply system as referred to in Ordinance No. 1881 on February 3, 2014.

(3). That the Wellhead Protection Plan for the City of Crete, Nebraska, dated November 2013, prepared by JEO Consulting Group, Inc. for the City of Crete, approved by the Crete City Council, is hereby adopted as the Wellhead Protection Plan for the City of Crete, Nebraska.

(4). That a copy of the Wellhead Protection Plan and a map of the Wellhead Protection Area for the City of Crete, Nebraska are on file and shall be kept in the office of the City Clerk.
(Ord. No. 1885, 02/04/14)
