Home Owner Permit

Home Owner Plumbing permits can be issued with proof the applicant is living in the home or intends to live in the home when complete.

Permit expiration

If the work for which a permit has been issued shall not have begun within six months of the date thereof, or if the construction shall be discontinued for a period of six months, the permit shall be void. Before work can be resumed, a new permit shall be obtained in the same manner and form as an original permit.

Zoning Approval Signature
